DESCRIPTION

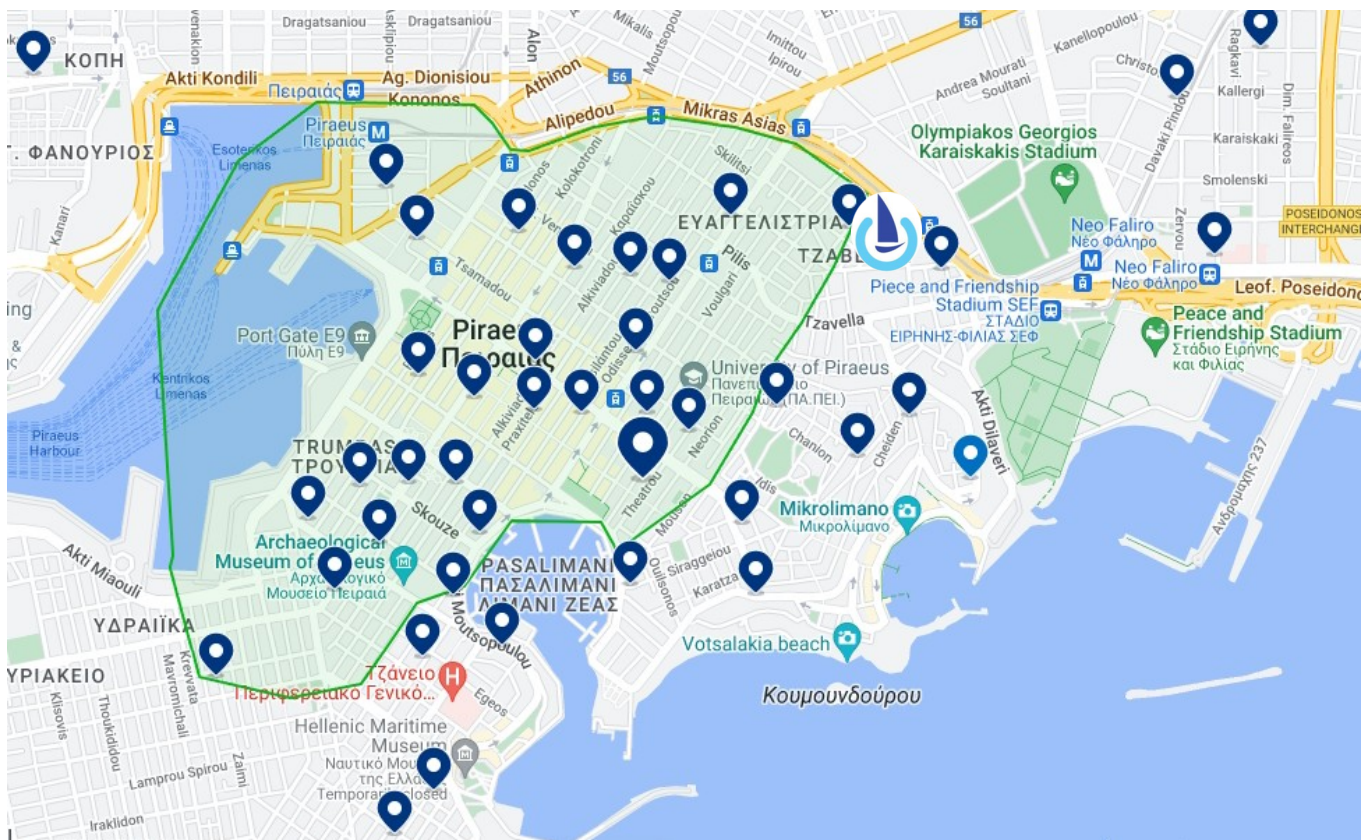

The Day Skipper theory course, a shore-based programme, provides crucial knowledge essential for readiness in the Day Skipper practical course. This 5-day course, running Monday through Friday, delves into navigation, meteorology, collision regulations, and safety procedures. Hosted in our Lygia classroom, the sessions commence daily at 09:00 and conclude at 17:00 local time. Participants can enjoy breaks for coffee and tea, along with a lunch break. Attendance by 08:30 on the first day is mandatory for all candidates.

ACCOMMODATION

- Accommodation is NOT PROVIDED.

There are several hotels for all tastes and budgets west – south west of our HQ within walking distance
