## DESCRIPTION

The RYA Yachtmaster Coastal/Offshore theory course is a comprehensive shore-based programme designed for experienced skippers seeking to enhance their knowledge beyond the RYA Day Skipper theory course. Tailored for those aiming to navigate safely on coastal and offshore passages, this advanced course covers a range of topics, including advanced navigation, meteorology, regulations, advanced chart-work, passage planning, and pilotage.

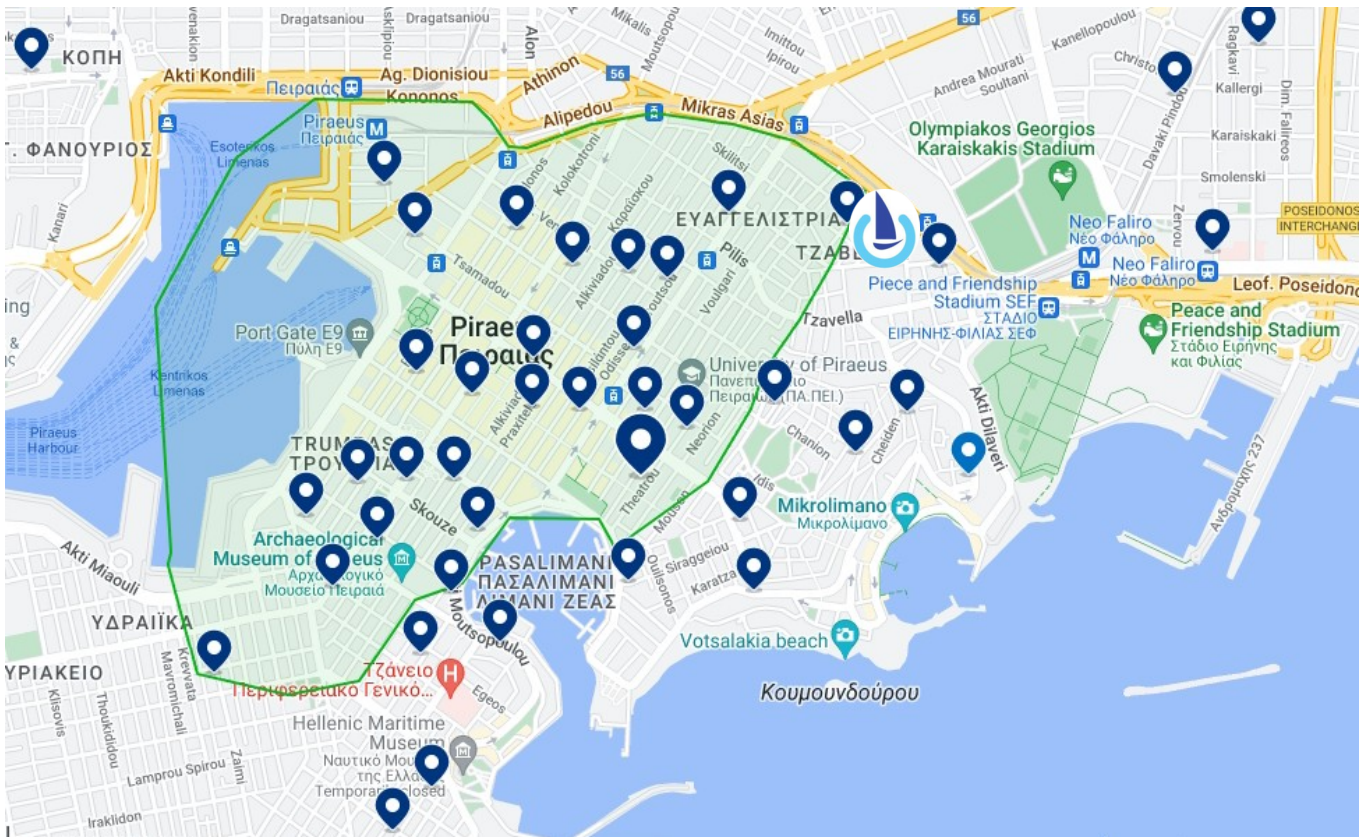

Conducted over six days, from Monday through Saturday, the course is hosted in our Lygia classroom. Sessions commence daily at 09:00 and conclude at 17:00 local time, with designated breaks for coffee, tea, and lunch. All candidates are required to be present at 08:30 on the first day.

## ACCOMMODATION
